Dear Dr

Re: Patient Name:

Address

The above patient has requested to be treated by TheraPeople .

The treatments we provide are: Body Massage with a Hivamat 200 (deep oscillation electrostatic massage), Reflexology, Indian Head Massage.

After carrying out a consultation with your patient, I have learned that they have.....
Which is a contraindication to the treatment to be provided.

For GP information about HIVAMAT, Please visit www.therapeople.co.uk

Your approval is required in order for us to proceed. Please can you complete the section below to indicate your decision.

Many thanks for your help.

Yours truly,

Julie Soroczyn
Sports therapist
Diploma in Complementary Therapies
